LCD TV Wall Mounts
PANO-Fix/PANO-Flex I/ PANO-Flex II

- Elegant and modern design
- Stable and solid Aluminium construction with Electrostatic Powder Coating
- 1–3 pivot points turn (-)90°~+90° ; tilt (-)40°~+40°
- For all types of LCD TV's from 38 cm~76 cm (15"~30")
- Max. loading weight: 18 kg
- Colour: silver

1 PANO-Fix

The new LCD TV wall mount Economy I is very flat to the wall. The turn and tilt possibility offers an optimal viewing position.

- 1 pivot point; turn (-)90°~+90°; tilt (-)40°~+40°

Ref. No 23070

2 PANO-Flex I

The 2 pivot points among to the turn and tilt possibility offers an optimal viewing position of the LCD TV's.

- 2 pivot points; turn (-)90°~+90; tilt (-)40°~+40°

Ref. No 23071

3 PANO-Flex II

The LCD TV Mount with the most flexibility thanks to the 3 pivot points. The turn and tilt possibility offers an optimal viewing position of the LCD TV's.

- 3 pivot points; turn (-)90°~+90°; tilt (-)40°~+40°

Ref. No 23072

4 LCD/Plasma TV Wall Mount PLANO-Flat 42"

The new fix-mount wall solution suitable for all LCD/Plasma TV's up to 106 cm (42").

- Elegant and modern design
- Stable and solid Steel construction with Electrostatic Powder Coating
- Fix-wall mounting system
- For all types of LCD TV's from 66 cm~106 cm (26"~42")
- Max. loading weight: 56 kg
- Colour: silver

Ref. No 23073

5 LCD/Plasma TV Wall Mount PLANO-Flat 60"

The new fix-mount wall solution suitable for all LCD/Plasma TV's up to 152 cm (60") with tilt possibility.

- Elegant and modern design
- Stable and solid Steel construction with Electrostatic Powder Coating
- Tiltable (-)15°~+15° in 5° increments
- For all types of LCD TV's from 94 cm~152 cm (37"~60")
- Max. loading weight: 81,5 kg
- Colour: silver

Ref. No 23074

Wall rail set

A lot of room in a small space:

- Can be set any length to suit individual requirements
- Dual channel accepts boards and all other system components
- Comes as standard with an extra integral track that accepts multi-purpose hooks and tubular paper holders

Technical information:

- Aluminium wall-rails
- Recommended assembly height: 205 cm

Ref. No.	
6100	Wall rail with double channel 240 cm
6101	Wall rail set with double channel extension 120 cm

Set of upper suspension brackets

Glides easily back and forth:

- For positioning components on the upper rail channel
- Special runners for easy gliding of boards
- Set comprising 2 brackets and 2 spacers which open outwards so that the boards can be aligned vertically

Technical information:

- for upper rail channel
- max. load 50 kg/set

Ref. No. 6102

Corner piece

- To attach two rails at a 90° angle
- Best when used in conjunction with wall rail set with double channel extension 120 cm

Ref. No. 6103

❶ Whiteboards for Rail System

Practical, versatile, all purpose:

- Baked enamel surface (800°C)
- Light-weight sandwich construction
- Acid and scratch resistant
- Magnetic; suitable for writing on with dry-wipe board markers
- Powder-coated aluminium frame in traffic white
- Comes complete with set of suspension brackets for the lower rail channel, full length pen tray, wall spacers and board marker

Ref. No.	Dimensions (H x W)
6104	60 x 90 cm
6105	90 x 120 cm
6106	90 x 180 cm
6107	100 x 150 cm
6108	120 x 90 cm
6109	120 x 180 cm

Whiteboard accessories:

Starterkit for Whiteboard

Ref. No. 6092

Flipchart pad holder

Turns a whiteboard into a flipchart at the flick of a wrist. Guaranteed grip, for flip-chart pads, magnetic.

Dimensions H x W 11 x 70 cm

Ref. No. 6119

❷ Felt pinboards for Rail System

Hard-wearing for intensive use:

- Quality fabric covering
- Available in grey or blue
- Aluminium frame with white powder coating
- Complete with set of suspension brackets for the lower rail channel and wall spacers

Ref. No.	Dimensions (H x W)	Colour
6110	90 x 120 cm	blue
6111	90 x 120 cm	grey

❸ Wall rail flipcharts

Creative and multi-talented:

- Flipchart and whiteboard in one
- Detachable magnetic pad holder
- White, powder-coated aluminium frame
- Torn-off sheets of paper can be displayed from the rail's extra track
- Full length pen tray
- Adjustable pad holder to suit all major standard pad formats
- Comes complete with flipchart pad and suspension brackets for the upper rail channel
- Magnetic; suitable for writing on with dry-wipe board markers, enamel finish
- Write-on/dry-wipe surface
- has storage space

Plus:

- Leaf opens outwards, making it easy to flip over used pages
- Will store up to 4 pads

Ref. No.	Dimensions (H x W)	weight
6112	108 cm x 75 cm	approx. 13,5 kg

❹ Projection screen for Rail System

Perfect reproduction:

- Specially for use on the rail system
- Spring mechanism allowing screen to be fixed at any angle between 0 and 30°
- Maximum viewing angle 50°
- Powder-coated aluminium frame in traffic white

Comes complete with suspension brackets for upper rail channel and wall spacer

Ref. No.	Dimensions (H x W)	weight	Clearance required above rail
6113	125 x 125 cm	12 kg	35 cm
6114	150 x 150 cm	14 kg	50 cm
6115	180 x 180 cm	16 kg	80 cm

(6115: Minimum of height of room approx. 3m)

Book shelf unit

Multipurpose shelf unit

- Adjustable shelf positions
- White, powder-coated frame
- Extremely versatile
- Complete with suspension brackets for upper rail channel
- Multi-purpose shelf unit with three 30 x 80 cm shelves

Technical information:

- Maximum load: 30 kg
- External dimensions: H x W 108 cm (114 cm incl. suspension brackets) x 85 cm
- Approx. weight: 20,5 kg

Ref. No. 6116

❺ TV-Video shelf unit

- Adjustable shelf positions
- White, powder-coated aluminium frame
- Complete with suspension brackets for upper rail channel
- TV/video shelf unit with two 50 x 80 cm shelves
- Maximum load: 30 kg
- External dimensions H x W: 108 cm (114 cm incl. Suspension brackets) x 85 cm
- Approx. weight: 20,5 kg

Ref. No. 6117

Literature rack

- Ideal for displaying magazines or catalogues
- 8 pockets
- Crystal-clear acrylic
- Suitable for standard A4 formats
- Powder-coated aluminium frame in white
- Complete with suspension brackets for upper rail channel
- External dimensions: H x D x W: 115 cm (121 cm incl. suspension brackets) x 14 x 50 cm
- Weight: 8 kg
- 3,3 cm pocket depth

Ref. No. 6118

Revolving Whiteboard Exclusive

Modern designed white magnetic board for comfortable and efficient communication in the office, during meetings, etc.

Board: Twice the writing area – double sided enamel surface. Magnetic, scratch proof, suitable for writing on with dry-wipe board markers
Frame: Finished Aluminium frame right round the corner – corner is covered with plastic edges. Integrated deposit tray for whiteboard markers
Stand: Movable stand on four caster wheels Ø 50 mm with two lockable wheels, strong to suit the board and made of steel
Tilting: 360° pivot feature, Mechanism to tilt
Size: 1.5 m (width) x 1.2 m (height) – with stand 1.9 m high
other sizes upon request

Ref. No. 6130

Revolving Whiteboard Standard

as above, with special coated surface: Plastics coated zinc plate

Ref. No. 6131

Stationary Overhead Projectors

Our line of stationary Overhead Projectors is the solution to meet your need and budget. It gives a sharp image with high lumens. The safety features, the cooling system and the overheat protection put the life expectancy of the projectors to the maximum. If one lamp fails, the lamp changer feature makes sure your image is still beeing projected with the other lamp.

❶ reflecta Cubus 251 / 253 / 401 / 403

The ecoline model – sound, solid and excellent, value for money! We offer the solution for users who wish to stow their standard overhead projector in confined space. Here are all advantages of a standard overhead projector combined with the practical fold-down arm.

Portable Overhead Projectors

Portable Overhead Projectors are designed to meet the needs of modern, mobile presenters. Features like easy set up and handling, silent cooling system and overheat protection make the projector to a reliable companion with a maximum of life expectancy.

❷ Porta 253

The reasonably well priced all-rounder with folding mechanism, small and handy portable overhead projector, supplied with hard case, assembled/ dismantled in seconds, suited for daily use.

2071	Halogen reflector lamp 360 W for Episcope A4

About reflecta

The name reflecta has been an old and established brand name in the photo industry for many years. The company was founded in Nuremberg 1967 with the foto-film-production. In 1970 the company moved to Schwabach (close to Nuremberg) and the product program was continuously extended. The next milestone was the takeover of the Agfa-Gevaert production plant in Portugal in 1984. A further removal followed in 1998 to Rottenburg a.N./Germany (close to Stuttgart).

Today we are offering custom-made solutions for presentations and image processing for your specific purpose. As a result of the growing digital market the further extension of the present program was the inclusion of Slide- and Film Scanners and reflecta offers actually a big product range of scanners for various needs.

A further popular product group are the Screens. We offer every screen from the low cost model till the high class and design screens to meet the customer requirements.

We supply - next to our balanced and innovative delivery program - also Digital Dataprojectors and Presentation Equipement.

Projection Screens

Quality and innovation in photography – this has been the hallmark of reflecta for more than 35 years. To make the best out of your photos, we make the highest demands in quality to ourselves. We offer a very comprehensive range of projection screens for various purposes.

Slide Projection and Accessories

Slides are a treasure, which lasts for several centuries. The quality of the image projected form a slide is still unrivalled: completely without pixels, flickers-free and unbeatable both in contrasting and colour rendering.

Film and Slide Scanners

Slide scanners are a perfect combination with analogue photography, if you want to keep the proven technology – without turning down the modern media. They are also interesting for digital photographers, who have a large stock of slides which they want to transmit to their computers.

The reflecta product range
